## KOALA SPORTS DAY SPECIAL

Chrysalis

**FUN! FUN! FUN!** And not a care about the sun ... or the rain!

This year, Koala House Sports Days were held inside, out of the sun and out of the heavy rain, in the gymnasium at Nha Thi Dau, Tay Ho.

**Chrysalis** began the games on Tuesday and as you can see in the photos on page 1, they had lots of fun! Jumping in bags, ball relays, banana races, with some banana eating too, a LONG tug-of-war, and, of course, lots and lots of running!

**Beehive**

**Beehive** went bananas too! Wonderful displays of dance opened another fun-filled day of laughs, with loads of smiles as children and parents ran around in boxes, carried baskets of snacks on their heads as they walked the wobbly balance beam, and grabbed as many scarves as they could from their friends.

**Kinder** marched, jumped, bumped, ran, and skipped their way through races, games, and dances as the rain came down outside. Kinder's Karate kids started the day with a bang as they showed their strength and skills to the astonished crowd.
